Courses Taught (indicate current year and likely next year as well as past experience):

Have you had any experience with astronomy or data analysis (this is not a requirement!), and why are you interested in this program?

Please describe in your view how the student would benefit from the SMART workshop. (If you are not planning to bring a student and are interested in being paired with a local student we select, please indicate that here.)

By signing this, I confirm that what I have written above is true. I understand that if we are selected to participate in the SMART program, I am responsible for arranging travel, laptops, and completion of prerequisite work for both myself and the student I am sponsoring.
